

Dear participants,

Please find below additional recommendations regarding the coming school in Paris.

1) Please send me the details for your travel informations (no later than Monday June 22 morning UT). It is really important for the distribution of the keys upon arrival.

A precision: The rooms are reserved from Sunday June 28 (arrival date) to Saturday July 11 (departure day).

There will be a map on the school website to locate the building Fondation Deutsch de la Meurthe in the coming days. RER B, Stop at : Cité Universitaire.

Or visit http://www.ciup.fr/deutsch_de_la_meurthe.htm for more informations.

Automatic laundry is available

2) I take this opportunity to remind you the website of the school: http://www.black-hole.eu/mw_school

Please visit it frequently, there will be many updates next week with informations on the course materials, exact program, as well as the data-set to download.

The precise location of the school will also be indicated.

Additional Recommendations

3) It is very important that ALL the required softwares are installed on you laptop BEFORE arrival.

Please let me know if you need additional informations

Regards

Stephane, on behalf of the LOC
