

Dear participants,

Please find below few recommendations regarding the coming school in Paris.

1 ) A reception desk will be open at Fondation Deutsch de la Meurthe on Sunday June 28 from 4pm to 6pm (map available on school web site) .

For people arriving AFTER 6 pm, please go to the reception of the Fondation Deutsch de la Meurthe that is open 24 hr a day.

2) Registration for the school will start at 9 am on June 29 in room 247E of building "Halle aux Farines" in the campus of the University Paris Diderot (maps available on school web site)

3) New information on the school web site (including data-set to download):

- More detailed instructions (if needed) for software installation under Linux for the X-ray hands-on session
- Full program for the school
- Detailed program for the radio hands-on session (AIPS/CASA)

More updates to come in the next days.

4) Otherwise, I need a confirmation from you ONCE you have installed ALL the required softwares. There is no other choice. This has to be done before Sunday June 28.

5) We will have a cocktail to welcome you on Monday June 28, as well as a banquet on July 9. Please let us know if you have any meals restrictions.

Please let me know if you have any other query.

Regards

Stephane, on behalf of SOC
