

Materials for X-ray Spectroscopy Exercises, Part II Monday, July 5, 2010

We will be continuing to use the data and script files from the Friday, July 2, exercises. Today we will be concentrating on fitting the data, and obtaining error estimates on parameters.

ISIS Practice Exercise

- Make sure you have the downloads for the [Friday, July 2, 2010](#) Exercises.
- [The PDF outlining the exercise.](#)

XSPEC Practice Exercise

- Make sure you have the downloads for the [Friday, July 2, 2010](#) Exercises.
- The PDF describing the exercise is the same as that for [Friday, July 2, 2010](#) . It is available [here](#).
