

The school will be held on the University of Amsterdam Science Park Campus, 10 minutes from central station by public transport.

We are subsidising the price of shared double rooms for all students in a local hotel, so that the 13 night duration will cost 350€, and include breakfast. Participants are free to make their own arrangements, but should be warned that Amsterdam in summer is peak tourist season, so most hotels cost on the order of 100€/night, and hostels can be quite loud and packed.

For information on the hotel, venue and getting from hotel to the summer school and generally around in Amsterdam, please download the appropriate of the following files:
